Mr. Jason / J. Thomas / T. Pritchard : The Story: How I went from being an empty, insolent Schizophrenic to becoming addicted to God's love (My Life with God) (Volume 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Story: How I went from being an empty, insolent Schizophrenic to

becoming addicted to God's love (My Life with God) (Volume 1):

The story is about my life on this Earth. How Schizophrenia and the delusions of grandeur associated with the illness created my insolence, an insolence which caused my life to sink into poverty and dismay. It's not until I accept that I am nothing more than a worm in God's presence that I begin to feel His healing love. "The Story" will show you how you too can find God, right here and now.
