Rosalind did a wonderful job of making this story come to life. The illustrations were excellent. I highly recommend this book for families to enjoy.0 of 0 people found the following review helpful. very clever bookBy CustomerI loved the book, I gave two to friends of mine for their grandchildren and the said that their

grandchildren make them read it to them every time they come to their house!!! 1 of 1 people found the following review helpful. The illustrations add quite a bit. By Scott Ryan This is very cute. (and far from my usual reading!) A charming story about a new pet, an unusual issue, and the solution. Ok was also amused at the drawings of the yelling mommy and daddy. They did a nice job.

"The story of Goo" is a short story about a puppy that is adopted by a family with a little girl. The family is seeking to have a play mate for the girl. Goo has a problem which is his body weight. The family seeks an activity for the dog to help him with his problem. Soon the dog learns to love and becomes passionate about this new activity.

About the Author Rosalind Menter (1940 - Present) was born in Syracuse NY. Being the Middle sibling of 3 children during the end years of the depression period, she learned early to develop a strong imagination as there was not much to go around during her young years. This skill has come in handy her whole life as witnessed by the success of her "Have Puppets Will Travel" Puppetry as well as sweepstakes contests she has won through her life for her imaginative writing abilities. Rosalind is a humble woman who is proud of her 2 daughters and their families including her 1 grand-daughter. She enjoys herbal teas, reminiscing about the past as well as telling of stories she is so fond of. Rosalind is a friend to all and has a big heart. She also spends time in a voluntary singing group which spreads good cheer to people. She is a giver that adds value to the world. Simple things can make her very happy including having people take interest in her writing.
