Werner Holzwarth, Wolf Erlbruch : The Story of the Little Mole Who Went in Search of Whodunit Mini Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Story of the Little Mole Who Went in Search of Whodunit Mini Edition:

Since its first publication in 1993, The Story of the Little Mole Who Went in Search of Whodunit has been charming readers young and old with its unconditionally candid tale that raises bathroom humor to new heights. Splendidly straightforward and comic, it is at first unbelievable and then irresistible. When Little Mole looks out of his hole one morning—PLOP!—something lands on his head. Whodunit? In this irreverent, forthright mystery, Little Mole questions each of his neighbors, trying to find out whodunit on his head. In the end, with the help of some flies, Little Mole gets his revenge. Now a new generation of readers will enjoy this one-of-a-kind, stinky, and delightful story for the first time.
