Leland Gregory : The Stupid Crook Book before purchasing it in order to gage whether or not it would be worth my time, and all praised The Stupid Crook Book:

0 of 0 people found the following review helpful. Great for longBy CustomerMy sheriff loves this book. Great for long drives0 of 0 people found the following review helpful. Good bookBy Tami M FaulkI bought this for my cousin in prison. He said it was funny and made him feel "a liittle better" about his own stupidity!0 of 0 people found the following review helpful. Read in small dosesBy Nicaea400The criminals in this book definitely make a person feel smarter. There's only one or two stories on each page so while shorter than it may first appear, it makes for a very easy read. The puns at the end of each story are definitely groan-worthy and make it only tolerable for a handful of pages at a time. Would make a good bathroom book.

Police arrived on the scene of a recreational vehicle park to discover a very sick man vomiting and complaining of stomach cramps. The man admitted he had attempted to siphon gas from a motor home but inadvertently put the siphon tube in the wrong tank. Instead of gasoline, the man sucked out the contents of the sewage holding tank. If stupidity were lethal, all of the criminals highlighted in *The Stupid Crook Book* would be dead. This book from highly successful author Leland H. Gregory III captures hilarious tales of captured criminals who are so dumb you almost feel sorry for them. Almost. This lineup of criminal bozos includes: * Michael Anthony Silver, who made a \$250 call to a 1-900 psychic hotline in the course of robbing a home. When the phone bill came later that month the homeowners called the police, who traced the call back to the hotline. It turns out Silver used his real name with the psychic.* A would-be bank robber who fainted when a bank teller told him she had no money. The police later found his getaway car and discovered the key locked inside it.* Tony Bariteau, who was arrested and pled guilty to breaking into the Deja Vu store in Troy, Alabama-twice! He was arrested because the same witness spotted him smashing the same window and stealing much of the same merchandise. Deja vu indeed.* A wanted fugitive from Maryland who was running low on cash and stopped by a police station in Texas to ask for gas money. The police saved him the expense and gave him a free ride back to prison. *The Stupid Crook Book* builds on the successful trail Gregory blazed with *America's Dumbest Criminals*, the book he coauthored that spent 17 weeks on the New York Times best-seller list. About the Author?The jokes, wacky anecdotes, and inane quotes in Leland Gregory's Stupid-themed anthologies showcase the best of human nature at its worst. Through his Twitter handle of @ChronicStupid, Leland shares headlines, quips, and unbelievable feats of folly culled from print, online, and broadcast media around the globe. He has authored more than a dozen humor titles, including *What's the Number for 911?* and the New York Times best-sellers *Stupid American History* and *America's Dumbest Criminals*. A tireless promoter, he has made hundreds of radio and television appearances, including multiple appearances on NBC's Today show.
