Mr El Pollo Guerrero : The Suicidal Cyclist: Camino de Santiago (The Extraordinary Adventures of) (Volume 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Suicidal Cyclist: Camino de Santiago (The Extraordinary Adventures of) (Volume 1):

The Suicidal Cyclist - Camino de Santiago, is the first instalment in The Extraordinary Adventures of “El Pollo Guerrero”; a series of original stories that will amuse all that read of the hilarious escapades of our ‘hero’! Told in the first person, the story recounts the events that unfold throughout the journey of an unlucky cyclist who is trying to reach Santiago de Compostela by following the French route, all the while getting himself into a plethora of awkward and hysterical situations. Will the rider, who has a penchant for the absurd, manage to find his way to the finish line?

About the AuthorAllow me to introduce myself: I am Polguer. Eating chocolate prolongs your life, meaning I’m going to be immortal. I like to travel the world and experience new adventures every single day, sometimes by foot, other times by riding my bicycle and certainly, as much as I can, for free. Besides, I think I have the boldness and needed skills to do so: free time, money and absolutely no shame. Even when justice is looking for me in several countries I will continue travelling, so that I can then share my adventures with you, until my strength fades away or my mind no longer works the same way, or both. Or, maybe until I get tired of all this and send it all to hell. We’ll just have to wait and see. So... let’s crack on with this sh*t!
