King Oblivion : The Supervillain Field Manual: How to Conquer (Super) Friends and Incinerate People before purchasing it in order to gage whether or not it would be worth my time, and all praised The Supervillain Field Manual: How to Conquer (Super) Friends and Incinerate People:

0 of 0 people found the following review helpful. Very funny
By Julian C. Williams
Matt Wilson's writing style and understanding of comics lends itself naturally to King Oblivion's grandiose and majesty, and it makes for fun reading. He even does an excellent job of sidestepping the "villains lose in the end" issue and makes it into a rather funny collaboration of all the best comebacks from villains in comics. Worth the money, easily, even if it does tend to feel a bit familiar after a time.
0 of 0 people found the following review helpful. EXTREMELY Enjoyable Book
By Joe R Spostol
If you are fan of comic books, movies or any other sort of media with an over the top villain, this book will give you an unique insight you won;t find anywhere else. Perfect to pick up at the airport or anywhere on the go!
0 of 0 people found the following review helpful. A supervillain must read!
By Tina M. Torres
All supervillains need a field manual. This is a must read and reference book for all supervillains or supervillans in training!

With so much good out there, the time is now to take off those henchmen training wheels and become a full-fledged supervillain! With lessons from the founder and overlord of the International Society of Supervillains (ISS), King Oblivion, Ph.D. will craft you step-by-step into a fine-tuned anti-hero. The Supervillian Field Manual is complete with every strategy the aspiring malevolent overlord needs. You will learn how to:
Handle unruly hostages
Control your minions
Deal with increased notoriety
And much more!
Its time to emerge from your clandestine lair with bad intentions and start exacting the kind of vengeance that only an all-universe supervillain like yourself can handle. So keep honing your rage, fine-tuning your lasers, and remember . . . keep your enemies close, and your Super Friends closer.

The cheeky guide advises wanna-be bad guys about the pitfalls of the profession and the value of publicity. . . It's a breezy, fun read. (Cleveland Plain-Dealer)
About the Author
King Oblivion, Ph.D., has a doctorate in the Nefarious Sciences from Ocean Trench Fortress University. When he isnt running things at the ISSs giant lair in the Earths mantle, he spends his time in Sarasota, Florida.
Matt D. Wilson has written humor for websites including McSweeneys.net, Cracked.com, NationalLampoon.com, and ToplessRobot.com. When hes not thinking about villainy, he spends his time as a reporter in Chicago, Illinois.
