Holly L'Oiseau : The Sweet Family Siblings: A Gory Amphigory (Gory Amphigories) (Volume 1) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Sweet Family Siblings: A Gory Amphigory (Gory Amphigories) (Volume 1):

Reader, beware! We warn you from the start: this tale is not for kiddies or the faint of heart. The Sweet Family Siblings are a dubious troop. They'll strangle your cat or poison your soup. We beg you, please, keep away from this group!

About the Author Chris and Holly write under the heavy influence of music and a constant flow of uninhibited imagination. As if writing isn't distraction enough, they both have a passion for art and watching quirky films. They share the same space (Savannah, GA) and are pretty sure they share half of the same brain, too. You can find them on their blog at www.cantfightthewrite.blogspot.com or on Twitter, @Chris_and_Holly.
