**Jill Conner Browne : The Sweet Potato Queens' Big-Ass Cookbook (and Financial Planner)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Sweet Potato Queens' Big-Ass Cookbook (and Financial Planner):

1 of 1 people found the following review helpful. you will lol and get some good recipes. don't let daddy dieBy pattyof course, the first one I read. met the author and he really is the cutest boy in the world. you will lol and get some good recipes. don't let daddy die. hahahah1 of 1 people found the following review helpful. This book is filled with such down-home humor and great recipes. Such a fun readBy Susan ShookThis book is filled with such down-home humor and great recipes. Such a fun read, and tips for some great food.1 of 1 people found the following review

helpful. Not your Momma's cookbook! By Nini Phelps This book is a delightful read! The recipes are not written like usual, but rather "take a big ole handfull of ..." and "stand back cuz you're gonna get trampled" but all the ingredients are there so you can make the stuff. The financial planner is tongue in cheek but actually makes sense in an offbeat sort of way. I love this book.

They're wild, beloved, and all-around fabulous, but with the Sweet Potato Queens, there're just never enough good times or enough good eats. Well, now all fabulous women everywhere can have their own mountains of royal fun and food, because bestselling author and Boss Queen Jill Conner Browne is revealing her big-ass top secret recipes and the events that inspired them in *The Sweet Potato Queens' Big-Ass Cookbook (and Financial Planner)*. And, of course, she's dishing up plenty of hilarious stories, including: Queenly adventures in mothering-The tiniest bit of plastic surgery-The all-true story of the Cutest Boy in the World And, oh yes, as promised: Sound financial planning. Tip number one: Hope that Daddy lives forever.

From Publishers Weekly Browne's third tasty outing (following *Sweet Potato Queens' Book of Love* in 1999 and *God Save the Sweet Potato Queens* in 2001) finds the Boss Queen taking on Betty Crocker (source of "some of the insane ideas we have struggled with and against for the last 50 years") and channeling Suze Orman for financial advice ("There's a lot to be said for rich old guys with bad hearts and no relatives, but you can't always get what you want"). Culinary challenged readers will be happy to find this book's main course is still Browne's hilarious anecdotes and observations about enjoying life after 40. She caps each escapade with the perfect artery-clogging recipes (with names like "Whatchamacallit Chicken," "Gooiest Cake in the World," "Bitch Bar Bacon Swimps" and "Pig Candy"-bacon rolled in brown sugar). Whether she's dealing with her mother having a stroke, confessing her obsession with buying a cement monkey or waxing on the joys of wigs or her potential second career as a plastic surgery consultant, Browne is riotously funny and human. Fans will be charmed when she falls in love with a younger man ("who totally missed Motown because he wasn't born yet") or reveals the recipe for Nuclia's Secret Weapon Hair Spray: Elmer's glue and water. Browne and her stable of Queens (no one with any taste would utter the word "drag" in their presence) show no signs of abdicating their hold on readers. Long live the Queens! Copyright 2002 Reed Business Information, Inc. praise for Jill Conner Browne, the sweet potato Queen You dont have to be from the South . . . you just have to like laughing out loud, a lot. Chicago Tribune This is not reading for the faint of heart. You could die laughing. St. Petersburg Times From the Inside Flap They're wild, beloved, and all-around fabulous, but with the Sweet Potato Queens, there're just never enough good times--or enough good eats. Well, now all fabulous women everywhere can have their own mountains of royal fun and food, because bestselling author and Boss Queen Jill Conner Browne is revealing her big-ass top secret recipes--and the events that inspired them--in *The Sweet Potato Queens' Big-Ass Cookbook (and Financial Planner)*. And, of course, she's dishing up plenty of hilarious stories, including: - Queenly adventures in mothering-The tiniest bit of plastic surgery- The all-true story of the Cutest Boy in the World And, oh yes, as promised: - Sound financial planning. Tip number one: Hope that Daddy lives forever.
