Dan Ewen : The Taking Tree before purchasing it in order to gage whether or not it would be worth my time, and all praised The Taking Tree:

I love the other book -- I bought this one accidentally thinking it was the other. It's not as good.2 of 2 people found the following review helpful. HilariousBy JPI bought this book for my husband because he thinks "The Giving Tree" is a terrible book. This book is really funny.

THE TAKING TREE (the unauthorized parody that is absolutely, positively, completely not THE GIVING TREE) is a hilarious twist on the Shel Silverstein classic. This humor book is no touching salute to goodness and generosity. Instead this laugh-a-minute satire is a scathing indictment of those who just take and take and take. That means you, trees!
