However, when I use the print link, the files will not open. I have tried several times on different computers and each time the file freezes my computer. If/When the print link is fixed, I would love to update my review.0 of 0 people found the following review helpful. These are interesting, if not highly original, designs ...By APBThese are interesting, if not highly original, designs. Note that the downloadable PDF is a huge file, so it may not be possible to download it on the first try. (I couldn't.) When I first looked at the PDFs, they appeared to consist of disjointed lines. I wrote to the publisher, who responded that it's because the images are very high resolution, and the PDF viewer has trouble rendering them. He advised me to try actually printing one, or to try zooming in. I haven't yet printed any, but zooming in does show the lines as they should

CREATIVE COLLAGE By Barbara Mojica The coloring book provides an opportunity to learn about the ancient Incan culture of Peru while enhancing creativity. Twenty mandalas are stylized but beautiful symbols of religion, culture and everyday life. They seek to provide a balance between body energy and mental energy. If you love to color the patterns will produce a beautiful effect. This book is available in kindle preview where you can download a pdf to print and color. Alternately, you may purchase a paperback version directly.

Each pattern is designed to maintain a balance between body energy and mental energy, seeking equilibrium through mindfulness. Additionally each symbol shown in the book, aims to explain the Inca mythology as a colorful path leading to the stress relieving through creativity. The meaning of each image is attributed to behavior of human beings to face problems. In this adventure, coloring becomes your best ally. Helps to relax boost your meditation Helps to balance your body, your mind, your spirit and your energy Give you that spiritual connection that you needed Enhance your creativity Encourage your self-expression Learn about the peruvian culture in a funny way 20 patterns full of peruvian Inca's culture and short mythology stories for Relax, stress relieving and meditation. Feel the energy of ancient cultures and let your creativity explode. IMPORTANT ! PLEASE NOTE - The KINDLE edition of this book is for your reference only and is NOT intended for coloring within the device! It is a preview - its main intent is to show the designs that are available in the physical copy of the book. You can get a PDF version of these patterns in a link at the end of the book so you can print them out and get coloring .
