Dave Whitehead : The Tennis Junkie's Guide (To Serious Humor): (To Serious Humor) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Tennis Junkie's Guide (To Serious Humor): (To Serious Humor):

5 of 5 people found the following review helpful. brace yourself for a laugh-out-loud good timeBy Edwina WongThis book is completely hilarious! I couldn't stop laughing from the moment I picked up the book. Not recommended for

those looking to improve their skills, but it's a great book with a very witty take on common tennis gripes and pet peeves. Finally, here's someone who's put into words what you've thought all along since first picking up your racket. You'll find yourself agreeing with - and applauding -this funny, straight-talking book.

TJG is the sport of tennis at its funniest. In fact, we guarantee that you cannot improve your game simply by reading this book! However, this book will provide every tennis player and hacker hours of non-stop hilarious entertainment. Your favorite player **MUST** have it. Inside you will learn: The differences between real backhands and that two-hand kind Why pros don't teach lob volleys How to spot a hacker The secrets of Gamesmanship Why your grip was named after an airline Why the Italian Open isn't a Grand Slam event How to lob without embarrassment Dave's Laws of Tennis The undocumented history of its old-fangled scoring About the Tournament Police The members of the Generic Tennis Club Whether or not you are a Commando Tennis Player Dave's Absolute Tennis Ability Rating System And much, much more

About the Author Dave Whitehead is a USPTA certified professional with 20 years of experience. He grew up playing on the hard courts of sunny San Diego and can slide neither effectively nor gracefully on clay courts. Dave, wife Molly, and daughter Kellie currently live and play tennis indoors in Colorado Springs.
