Tom Sheridan : The Third Book of Catholic Jokes: Gentle Humor about Aging and Relationships before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Third Book of Catholic Jokes: Gentle Humor about Aging and Relationships:

I grew up in a Catholic school, complete with nuns, I survived! I'm still left-handed! 3 of 3 people found the following review helpful. Jokes for a Catholic By Marlene Middleton I bought this with my husband in mind as he does so little Catholic reading. I thought it would be a good introduction for him. Did not seem to do the trick however. He says that he knew most of the jokes. Guess he's been Catholic too long. 3 of 3 people found the following review helpful. Book Three By Mike 1900 Bought this and Book Two for our pastor, who has a penchant for punctuating his homily with a little humor. They add to his comedic arsenal. Good clean fun. 5 stars.

The third volume in the runaway bestselling series of Catholic jokes focuses on the universal and often hilarious

human experience of relating to one another and growing old together. These stories, jokes, lists and one-liners are mostly about lay people and are told from a Catholic; (that is, Roman Catholic) and; catholic; (that is, universal and about everyone) perspective. They are; clean; and not; mean; and certainly not intended to offend anyone of any faith or situation in life. Jesuit priest and Colbert Report regular Fr. James Martin contributes the foreword.
