For example, a photo of the stooges covered with paint with the saying "Don't be afraid to get your hands dirty," or a photo of the stooges in silly costumes saying, "Don't take casual Fridays too far." This is not a history of the stooges and does not chronicle their lives, just a fun book full of stoooge photos. I bought this for my son, a Stooges fan, and he is happy with it. It would also make a good coffee table book, no heavy reading :)0 of 0 people found the following review helpful. Very cute. Bought this for my son when he ...By trixieVery cute.
