**Sam Stall : The Three Stooges Golf Kit (Mega Mini Kits)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Three Stooges Golf Kit (Mega Mini Kits):

The Three Stooges have remained one of the most popular trios since the 1930s. And with the new Farrelly Brothers' The Three Stooges movie slated for Spring 2012 release, the Stooges are poised to regain the spotlight. This fun and practical kit includes three ball markers, one keychain/ bottle-opener, one exploding golf ball, one divot-repair tool, and a hilarious 32-page booklet featuring classic images and pithy punch lines. All items are printed with licensed art. Visit The Three Stooges at [threestooges.com](http://threestooges.com).
