**Mr. "J." : The Tiny Book of Dirty Jokes** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Tiny Book of Dirty Jokes:

A good dirty joke is sometime shocking but always amusing. Gathered here are some of the very funniest saucy jokes. There's always going to be the need for cheeky jokes that bring out saucy side in us all and produce a twitter at the most turgid of gatherings. Everyone knows someone who would love this book.
