Tal D. Bonham : The Treasury of Clean Church Jokes (Treasury of Clean Jokes Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Treasury of Clean Church Jokes (Treasury of Clean Jokes Series):

By Dr. Fred I work with senior citizens in a retirement center and I have learned over the years how important it is to be able to laugh. We have a Bible Study that is both serious and fun. We start off like the old Carson shows with humor, some political but mostly about the funny side of church, religion and the Bible. And one who thinks that humor was not used by Jesus Christ, Paul (who was a master of irony) and certain Old Testament characters needs to read the Bible anew. Forget what may be humor today, but read the stories with a view of people who lived during Biblical times. Of course we all have plenty to laugh about within our own churches and society today. This book has proven a valuable tool in our studies. 0 of 1 people found the following review helpful. Five Stars By Grandma A Sent it to a nephew who is a minister.

This book offers hundreds of hilarious stories, puns, and riddles that are appropriate for any audience. All jokes are conveniently listed by subject for quick reference or preparation on the run. Good for speakers, teachers, preachers, and jokesters.
