Franz Kafka : The Trial before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Trial:

The Trial is one of the most important novels of the twentieth century. It is the terrifying tale of Josef K., a respectable bank officer who is arrested on a charge that is never identified or explained. Whether read as an existential tale, a

parable, or a prophecy of the excesses of modern bureaucracy wedded to the madness of totalitarianism, Kafka's nightmare resonates with chilling truth.
