Sheila Brady : The Trouble With Christmas (Volume 3) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Trouble With Christmas (Volume 3):

Is your Christmas becoming a bit of a car-crash? Are the Holidays leaving you feeling a little hollow? Let us at The Commytooper Blog remind you just how stressful things are gonna get before sanity returns in the New Year. In our own inimitable style, we cover everything from the nightmare that is the office Christmas party to the forced family fun and from bloated credit card bills to post-Christmas paunches. Not much gets past us! And don't even get us started on New Year resolutions!The Trouble With Christmas is another in our series of sideswipes at life and the collective madness that overtakes us all in the lead up to the biggest festival of the year. Featuring all our usual original wordplay cartoons, puns and hilarious insights The Trouble With Christmas tells it as it really is.God bless us, every one! Bah humbug!
