Sylvain Coissard : The (True!) History of Art before purchasing it in order to gauge whether or not it would be worth my time, and all praised The (True!) History of Art:

0 of 0 people found the following review helpful. Loved this -- just got it and had to write a review! By Jay Quintana There were hits and misses, but the hits were laugh out loud funny. And the misses were still interesting. This is not just clever and humorous, but the original art work is flat out brilliant. Just a heads up, some of the paintings are nudes, so you might want to think twice before showing this to kids. 1 of 1 people found the following review helpful. fun gift for art lovers with a good sense of humor By Aneta I got it for architect as an addition to his birthday gift. He loves drawing as well, and he loved it. It is a funny way to look at the greatest master pieces. 0 of 0 people found the following review helpful. Five Stars By Lange Kimball Great book! So funny! Good sturdy binding.

This small book contains big revelations. It unveils the mysteries behind the worlds great paintings. Or, it might not. The (True!) History of Art takes an outrageously speculative look at the stories behind the works of Monet, Rembrandt, and other masters of art. In a series of hilarious parodies, Sylvain Coissard and Alexis Lemoine answer the nagging questions of art history: What caused Munch's subject to scream? Why is Van Gogh's Yellow Bedroom so suspiciously tidy? Why is Cezanne wearing a bandage in his famous self-portrait? The (True!) History of Art is for anyone who wants to know what happened before the Mona Lisa smiled. Or, rather, what might have happened.

About the Author Sylvain Coissard (Author) is a literary agent specializing in children's books and graphic novels. He lives in Nîmes, France. This is his first book. Alexis Lemoine (Author Designer) studied at the Estienne art school in Paris and, in 1997, became a professional illustrator. He works for the French press (notably Liberation) and designs book covers and CDs. He lives in Paris, France.
