I guide turkey hunts and have been at the turkey game for 30 years, I learned a few things from this book but mainly just enjoyed the stories and his personality coming through in his writing.0 of 0 people found the following review helpful. The TruthBy paul ashbyThe first book I've read by

"Cuz". He has a great and humorous way of sharing his hunting experiences. It is a very well written book that will be an enjoyable read to the novice and the experienced hunter. I'm looking forward to reading his follow up "The Whole Truth". Cuz gives great hints and secrets that I know I will use in my future hunts. A truly enjoyable read. 0 of 0 people found the following review helpful. Good book. By samebradshaw Good book, it is a keeper. I would have liked it more if it would have had more how to. But all a round Good book, thank you CusSam .B

From deer camp to turkey woods, nobody tells it like Cuz. In *The Truth About Turkey Hunting*, Ronnie "Cuz" Strickland shares his often-sidesplitting experiences as hunter, guide, cameraman, and mentor in the annual ritual of the spring turkey hunt. In a book that brings you as close to the campfire as you can get without the smoke, Cuz imparts the wisdom of years in the turkey woods.
