DAVISSave your money. What a waste. This book is so ridiculously absurd as 75% of her advice is silly, ridiculous, and totally unbelievable. Advising a mother-in-law to plan her own birthday party, bring gifts to everyone she invited because her daughter-in-law or son-in-law failed to acknowledge her birthday is the most selfish, ridiculous advice I've ever heard of. She gives other stupid, absurd advice like this throughout the book like the mother-in-law should bring gifts for the family when she comes to visit her daughter-in-law. What a SELFISH, greedy daughter-in-law in this book. RIDICULOUS. Read this book if you want to become a doormat for your daughter-in-law.0 of 0 people found the following review helpful. Laughing out LoudBy Cynthia M. JohnsonFull disclosure-was married to my high school sweetheart for seven years, divorced. Married to my forever Man eighteen years and counting. Hit the MIL jackpot both times! I learned from the best how to be Great Step Mom, but with my examples and this handy guide, I hope my Son in Law, future DIL and future SIL think I am wholly Magnificent.1 of 1 people found the following review helpful. Good ideas to get through your visitBy SharonIf for no other reason, the author suggested this for really aggravating situations (which I have many) and therefor I suggest you read this book for other hints to get through the visit. AUTHOR's SUGGESTION: when all else fails and you'r at wits end, WRITE the hurtful, aggravating situation/ feeling on a piece of paper and BURN IT - I tried it, I don't know why but it works - I don't think about that situation (dwell on it) any longer. There are more useful suggestions, but this ONE thing helped me soooo much!

A very Southern mother-in-law's humorous advice to mothers-in-law everywhere. From the multiple New York Times bestselling author of *The Red Hat Club*. Bestselling author Haywood Smith and her pals have lots of personal experience in the joys, sorrows, pitfalls and flat-out hysteria of Mother-in-Lawness. Now Smith offers a handy and fun booklet of pithy advice to mothers-in-law everywhere. Smith's sassy observations and gentle wisdom are delivered with her trademark southern charm, packing the sweet, heady punch of bourbon ice cubes melting in a mint julep. *The Twelve Sacred Traditions of Magnificent Mothers-in-Law* is the perfect gift book for showers, engagement parties, family celebrations or just to share with that special Dil (Daughter-in-Law) or Sil (Son-in-Law). It can even safely be given to a Mother-in-Law
