This is a funny cat, holiday story. One that I'm not sure that I would read to the little ones, but one that anyone who likes or loves a cat will enjoy. The illustrations are wonderful! The image of the cat being forced into a sweater was hysterical and accurate. I laughed out loud at feline strike teams. Adding this to our holiday tradition.2 of 2 people found the following review helpful. Never make a fool of a cat!By

Burt J. Kempner Make fun of dogs and they will laugh along with you. Humiliate cats and they will plot revenge, even if it takes all nine lives. Bella's owners should have kept that in mind when they decided not only to dress her in a hideous Christmas sweater but post a viral video of it to boot. When Bella finds she is not alone in her indignity, she rallies her fellow felines to exact a fitting payback. This is one cat-and-mouse game with a very different mouse and a very different twist. Kudos to Cusper Lynn and *The Ugly Christmas Sweater Cat's Revenge*. 1 of 1 people found the following review helpful. *Hilarious Holiday Hijinks--CAT LOVERS will LOVE It.* By Peter R Author Cusper Lynn and Illustrator Shiela Marie Alejandro bring us an absolutely hilarious, unique and thoroughly entertaining look at Christmas through a comically cranky kitty's eyes, and the consequences of crossing her. Cat lovers (and honestly ANYONE who loves a good laugh) will love this completely one-of-a-kind story, very well written, and delightfully illustrated. I read this about four times to my nephew and three nieces, and they giggled all the way through it, and asked if I would bring it back on Christmas Eve for my brother's big Christmas party. Guess I know what to get each of them for Christmas now, too!

It began, as so many regrettable things do, with poor judgement, alcohol, and social media. No, this isn't the story of your last three relationships or last year's office holiday party. This is the story that changed Christmas forever. This is the story of the ugly Christmas sweater cat videos and a short-haired house cat named Bella, who decided it was time to deliver a message. A message that humankind would not soon forget.
