Ray Strobel : The Ultimate Cats' Catalog before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ultimate Cats' Catalog:

Ray Strobel has a great sense of humor and a deep understanding of the Cat "mind". I'm hoping a dog book will be next on his list. Makes a great gift for any Cat lovers on your shopping list. 0 of 0 people found the following review helpful. The Ultimate Cat Catalog By Nan I've purchased this catalog for several of my cat loving friends. They all loved it. It's written "for cats, by cats", and one can just imagine that it's so. Entertaining for humans, but just in case, maybe keep it out of your cat's reach. 0 of 0 people found the following review helpful. The Ultimate Cats' Catalog By Wood by Bob After reading the book, I

bought several copies and gave them as gifts to several of my cat loving friends. I could not believe how funny it is. I particularly liked the Trap Door Birdhouse and the Contact Lenses for cats.
