Gerri Detweiler : The Ultimate Credit Handbook: Cut Your Debt and Have a Lifetime of Great Credit, Third Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ultimate Credit Handbook: Cut Your Debt and Have a Lifetime of Great Credit, Third Edition:

18 of 19 people found the following review helpful. Timeless credit tips I have used to save money /make moneyBy
Larry ChiangThese credit tips were the basis for my company, United College Marketing Services.This book was
awesome and I used it as the foundation for Credit Strategies Seminars educating over 25mm young adults. It contains
great tips on getting and keeping good credit for yourself. I truly encourage everyone who want to have awesome
credit to get this book.People that I have referred this book to rave about it as well. Libraries have multiple copies and
people tell me that they are almost always checked out. My first copy of Ultimate Credit Handbook is very worn and
close to falling apart...I met Gerri back in 1988 at an International Credit Industry conference. I have never met a more
giving person. Her career has been dedicated selflessly to helping consumers.Buy this book because if you don't, you
will lose out on thousands of dollars in interest fees.0 of 0 people found the following review helpful. Five StarsBy
Kenneth SpeaksGreat product would order from seller again0 of 0 people found the following review helpful. Must
Have Book!By RakhelGreat book. Very helpful.

Arms readers with the tools they need to eliminate debt forever. Reflects the latest credit laws passed by Congress.
Softcover.
