Jacob Weisberg : The Ultimate George W. Bushisms: Bush at War (with the English Language) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ultimate George W. Bushisms: Bush at War (with the English Language):

2 of 2 people found the following review helpful. full of LOLBy QueenCun7Pun7The book is a great buy to add onto a book order. Its incredibly low price and will put a smile on your face. The book is quite literally just a collection of G.W.Bush quotes accompanied by the occasional hilarious candid shot of him. The book even rated some of his more memorable quotes and made a top 50 countdown throughout the book, it only gets better as you go through the pages I assure you.The only con to this book are the choice of quotes. Occasionally throughout the book there are a handful of quotes that just wont click or be humorous if you don't really understand the topic.Great buy overall0 of 0 people found the following review helpful. Very funny read. Better now that he is not president ...By LeslieCan't believe he said some of that stuff. Very funny read. Better now that he is not president so we don't have to fear for our lives that our president is so stupid he cannot even carry a conversation.0 of 0 people found the following review helpful. Three StarsBy JohnHow was this imbecile ever elected President (?) and we did it TWICE !!!

"This business about graceful exit just simply has no realism to it at all." As the end of the Bush era approaches, the legacy is clear: George W. Bush is a wartime president. His enemy, battered but not defeated after repeated surges: the English language. The ultimate edition of George W. Bushisms captures this legacy -- from the Gulf Coast to Iraq and back -- with all-new pearls of wisdom and the twenty-five greatest hits of the entire presidency. "You know, when I campaigned here in 2000, I said, I want to be a war president. No president wants to be a war president, but I am one." "I think -- tide turning -- see, as I remember -- I was raised in the desert, but tides kind of -- it's easy to see a tide turn -- did I say those words?"

About the AuthorJacob Weisberg is the editor of Slate magazine and three previous editions of Bushisms. He lives in New York City.
