**Mae B Fired : The Ultimate Office Prank Book** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Ultimate Office Prank Book:

4 of 4 people found the following review helpful. Kind of mean spirited! By Kathryn Merrifield I bought this because we have a really fun office. We are always playing pranks on each other, and I wanted some new ideas. We all like each other. Nearly all the pranks in this book are very mean. Not exactly funny. I found a few I could use, but not many. The beginning of the book has a meter rating the pranks. The top tier is the possibility of a law suit and getting fired. who would compromise their job in this way? Even if they hate it? I was disappointed and will look else where for funny pranks instead of mean ones. 3 of 6 people found the following review helpful. Warning! Foul language. Not a good gift or for kids to use. By Knowpher I was looking for a gift and this book seemed to be the perfect answer. I

was disappointed. The book contained much foul language. I don't recommend for anyone who is looking for good clean fun.

Making life in cubicle land a bit more fun, this book is a clever and amusing list of practical jokes—a list that will challenge even seasoned saboteurs to take risks and reap the awkward rewards. Whether it's filling the vending machine with a coworker's desk supplies, attaching fishing wire to phones and keyboards, or putting Jello in the toilets, pranks have been an office staple since the first cubicle was born. Split into chapters labeled Entry-Level, Middle Management, and Executive, jokesters are entertained with 200+ increasingly dangerous pranks. Complete with Tips for Talking Your Way Out of Anything and a list of important phone numbers, including the fire and police departments and the American Bar Association, this book is the perfect humorous gift for a friend, family member, or coworker!

About the Author Mae B. Fired is the pseudonym of three notorious office pranksters who found that setting out on their own business ventures was safer than risking a long career of pink slips in the corporate world.
