granddaughter and she loved it! 1 of 2 people found the following review helpful. You get exactly what you think you will! By Sam Knight How often do you come across a book that is exactly what you expect? If you are interested in Yo Mama wisecracks, this one is for you. I'm still chuckling just thinking about it. Overall the jokes are fairly tame with few exceptions (as long as you're not automatically offended by fat, skinny, mama, etc.) but I wouldn't get it for a kid under 13, just because they'll be cracking jokes that they won't get and they will embarrass Grandma.

Here it is, the book you've been longing for... The ULTIMATE "Yo' Mama" Joke Book! Includes: Over 250 Yo' Mama Jokes Brand-New Jokes by Guy A.
