A T Olsen : The Unauthorized Bible Cookbook: God's Secret Delights before purchasing it in order to gage whether or not it would be worth my time, and all praised The Unauthorized Bible Cookbook: God's Secret Delights:

1 of 1 people found the following review helpful. OMG!By Bob CantrellFinally! A cookbook for the ages! Don't let it's Best Sellers Ranking of 937,518 fool you, this is going to be BIG! Probably not as big as the original, but big nonetheless. Recipes ripped straight from the pages of the Bible and modernized for modern times. Chock full o tasty delights. From gut-busting pig outs like Solomon's Block Party Feast, to the specialty diet fare of Moses' 40 Day Gluten-free Crash Diet. Exotics such as Locust Fricassee, to the strange but oddly familiar flavor of Onan's Mock Hollandaise Sauce. There's something here for every taste. Bon appétit!1 of 1 people found the following review helpful. Don't waste your time!By Mamaw4307I'm sorry I downloaded this, and glad I didn't pay for it. I found it to be an insult to what intelligence I thought I had. It wasn't even funny. I only read the first 10% or so and deleted it from my device. Not worth the time, in my opinion.0 of 0 people found the following review helpful. Don't botherBy

Satisfied DutchmanIt is just silly, but not very funny.

WARNING: SOME PEOPLE MAY FIND THIS BOOK OFFENSIVE! That said, for Heaven's Sake ... Let's Get Cookin'! For the first time, the cuisine of the Bible comes alive to enjoy today. Though some of the recipes have fallen into disuse due to contemporary tastes (not to mention changes in social conventions, legal constraints, at-home butchering complications and so on), the Bible Cookbook offers a broad-ranging culinary feast of unique taste delights, extraordinary cooking challenges and adventurous dining experiences – all based on actual Bible descriptions (some exactly as depicted, some loosely interpreted). Beware, some of the dishes and preparation rituals may not be for the faint of heart, but the special connection to Judeo-Christian tradition will stir your imagination and delight your palate, enriching your diet while enhancing your soul. Within these pages, the actual literal Biblically-prescribed recipes and preparation hints are presented – often as given by the Word of God Himself! Caution: many of the dishes call for generous portions of meat products – but we see no harm in selecting similar soy and vegetable-based substitutes: “Mock Ox”, “I Can't Believe it's Not Goat”, “Lamb-Sham”, and numerous other alternatives to meat products may be available at your local specialty store. Similarly, many homes are ill-equipped for large scale butchering of live animals, especially in the quantities that some of the recipes call for, so fun and interesting substitutions are offered where possible. Though the authentic Bible-based dishes are literally translated to today's culinary sensibilities, we've embellished here and there with special touches and serving suggestions that in no way disrespect the intended “bread and circus” effects the originals called for. We've taken some license in updating the preparation details where they haven't been fully provided in detail in the Bible-Inspired recipes – so don't be dismayed if you cannot find the specific preparation details in the actual Bible because they are not there. Note that not all dishes have been prepared in our test kitchens in some of the quantities specified in the Bible ... so exercise caution with some of the more ambitious feast requirements. By the same token, customs were slightly different during Biblical times so in ALL CASES, check with your local law enforcement officials, health department and, to be especially safe, an attorney familiar with live sacrifices and outdoor burning laws. Some communities will require special Permits for some of these dishes – some will ban them altogether! Caveat emptor!
