Five StarsBy Brandellanhilarious pic me up book.

A fun little book written by Kent Oliver with brilliantly detailed illustrations by Ariela Coco. Like the universe itself this book is many things, a satirical children's parody, a commentary on modern spiritualism, a poetic salvo of free flowing existential angst and a collection beautifully sarcastic drawings. The Universe Doesn't Give a Shit About You!

is perfect for skeptics, cynics, lovers of sarcasm and gorgeous illustration, or just your favorite grumpy old man.
