She kept using the insults on me, but having never read the books or seen the movies I wasn't terribly offended based on the fact that I had not a freaking clue what she was talking about. Although she did seem to get a pretty good burn in based on the laughter from some of my family members who are apparently more in the Harry Potter know than I am. Why did I have to be a Lord of the Rings fan? I just wanted to understand the jokes and be included. Why did you have to ruin Christmas Harry Potter

Insult book? I was so upset that I couldn't even eat my second breakfast.6 of 6 people found the following review helpful. It's a cute little book that has some funny insults if you're familiar with the Harry Potter worldBy A. SorrelsI bought this as a gift for my Harry Potter fanatic friend. He loves it. He randomly texts Harry Potter insults. It's a cute little book that has some funny insults if you're familiar with the Harry Potter world.5 of 5 people found the following review helpful. CuteBy Kindle CustomerThis book is fairly short and cute. The comebacks are mostly juvenile - but funny for for most HP fans.

Got a belligerent bully on your back? Next time your paths cross, say "Every time I see a Dementor, I'm forced to relive our every encounter." Has that frenemy reared her ugly head? Tell her she's the fourth Unforgiveable Curse. Is a know-it-all giving you trouble? Arm yourself with "I can tell you didn't get an O.W.L. in Transfiguration. Otherwise you would've done something about your face." Whether you're a N.E.W.T.-level wizard or a wide-eyed witch still awaiting your Hogwarts acceptance letter, you've probably encountered a merciless Malfoy or despicable Dursley who makes your magical blood boil. If you've ever stood speechless as someone called you a talentless squib, a worthless git or a filthy mudblood, this is the book for you! NOTE: This is a picture book intended for any Harry Potter fan but geared toward younger audiences. This book is NOT a Harry Potter Cookbook companion piece, nor is it affiliated in any way with any other Harry Potter book.
