lame. But that is true with any joke book. My nephew definitely enjoyed it. 3 of 4 people found the following review helpful. MehBy InnaI got this book only because my kid requested "HP jokes book" in her letter to Santa. Some jokes are funny, but the majority are recycled from obviously non-Potter jokes.

This is a riddle and joke book for children nine years and above. Nearly all of the jokes involve characters from the Harry Potter series of books. The book is fun for children and all of the jokes are clean!!!

"The Unofficial Harry Potter Joke and Riddle Book achieves its goal of providing... Harry Potter-related humor for readers aged ten and up.... the author has clearly devoted ...attention to the compilation and organization of the jokes and riddles, ... young Harry Potter fans will find them silly and fun."
