After you read this Nursery Book, please read "The Velveteen Principles" where the author pulls out the 'hidden' wisdom in this delightful book, God bless, Charity and Grace 13 of 13 people found the following review helpful. Beautiful Book By Mona Fitzgerald This hard cover book of my favorite "children's" (I think the message is perfect for any age) book is beautiful. The size is larger than I thought it was going to be. The cover and the print are amazing! 3 of 3 people found the following review helpful. Lovely Book By DRoss This is one of my favorite books. I was introduced to it in 1972 just after our daughter was born. I've always collected rabbits because it was my nickname so this book just touched my heart. I used to read it to someone every year but somewhere along the way I stopped. I'm currently in skilled nursing and therapy after a hip surgery that has had a few challenges. I'm particularly fond of one of the nurses so I bought this for her to read. She said it was wonderful. This is a very lovely book.
