Gift for a new dadBy CustomerMy brother-in-law and sister are expecting their first child, and as a joke, my brother-in-law said that he wanted a book of dad jokes. When he opened this christmas day, I thought he would cry. He reads that book like it's the bible and reads it to my sister's belly, preparing their daughter for the dad jokes. I would recommend this to any new father, or anyone with a sense of humor in particular5 of 5 people found the following review helpful. really bad puns and jokesBy Alex EzellBought this for my brother for christmas as he's a new dad. My other brother and I thumped through it before hand. It's what you expect, really bad puns and jokes, but the kind of bad jokes that you can't help but laugh at. Would make for a good book to keep on the coffee table.0 of 0 people found the following review helpful. FUN!By pattypanmilesSome of the jokes were either old school or british... still a really great buy for a Dad with dad jokes!

A collection of "side-splitting" jokes collected from dads around the world, all of whom think they are hilarious
