the Drumph's bluster save room for this funny and inciteful send up. I love sharing it with other "haters" ... and, fingers crossed, election day will mirror its very happy ending !0 of 0 people found the following review helpful. Five StarsBy phipsflips optimistic and funny poem

Slip into bed with this hilarious 40-page illustrated poem that parses Donald Trump's political gymnastics in the soothing format of a children's story. The Mogul, dressed in an infant's onesie with a dollar bill emblazoned across his butt, bursts into the home of a Hispanic family, dances, boasts, insults them, threatens to deport them and builds a "taller than tall" wall across the living room. Worse, he wakes the baby. Will help from an unidentified "lady" will save them? In the tradition of *Go The F\*\*k to Sleep* (Akashic Books) and *Go to the Gallery* (Dung Beetle Books), *The Very Strange Day* will make you laugh even if it doesn't help you sleep.

About the Author Laura M. Mac Donald is the author of *Curse of the Narrows*. She lives in Harlem, New York. Bailey McGinn lives in Toronto.
