I've been purchasing many of his cartoons either throug you or at my local bookstore as long as they have them. unfortunately not many copies here! So I not only purchase them for myself but for other friends too! Everybody likes his art sense of humor. Thank you.0 of 0 people found the following review helpful. HILARIOUS!By A CustomerI am a dentist and I loved the humor of this book. Even though I have to admit it isn't really acurrate about actual dentistry, it is a great laugh for anyone.
