Hilarious stuff if you are a Sportspickle fanBy GPersonally I think DJ Gallo is one of the best things to happen to sports "journalism." I find just about everything he writes about sports to be downright hilarious. This book is no different. If you are a big sports fan in general (rather than just a fan of one team in one sport), then you will likely find this to be very enjoyable.I mention that qualifier because if you are not aware of certain things in sports (e.g. the Yankees being willing to pay anyone who has played a good game \$100mm) then you might not find the jokes as funny. Look at the jokes on the cover and see if you like them.2 of 3 people found the following review helpful. Great read. Funny all the way through!By I. DeswertGreat book even for Europeans who know far from all there is to know on US Sports
