Four Anonymous Wall Street Guys Staff : The Wall Street Joke Book: Raunchy Humor From Fast-Lane Financiers before purchasing it in order to gage whether or not it would be worth my time, and all praised The Wall Street Joke Book: Raunchy Humor From Fast-Lane Financiers:

0 of 0 people found the following review helpful. HilariousBy jcccThis is one funny joke book. You don't need to be an investment banker to enjoy this. I would recommend it as a great travel book as it packs easily.4 of 4 people found the following review helpful. Good compilation of current humor, but not about Wall StreetBy David L.If you're around jokesters or if you trade jokes over e-mail with friends, you've probably heard or read at least half of the jokes in this book. Still, it is a nice collection of mostly contemporary material. If your conception of the book, based on the title, is that the jokes are about the financial industry in some way, they aren't. In fact, due to the political incorrectness of some material, it's no wonder the authors are anonymous.

When disaster strikes, when election returns are in, when scandals break, when the ubiquitous racial and sexual tensions of our land blow their PC gasket, when the famous die, it seems the monied men of Wall Street are always the first to craft our national anxiety in to a joke. The cynical, educated, three-steaks-a-week, house-in-the-Hamptons representatives on the Any Rand in all of us generate the jokes that get faxed nationwide. That's the myth, and this is the confirmation of it. Compiled by four anonymous Wall Streeters, here are the jokes that are sure to come in handy for any commuter, socially challenged business person, or new guy/gal at the water fountain. Slim enough to fit in your shirt pocket, this joke book can be toted with you for those moments that call for a real-man's guffraw. Here's a taste of the humor that makes this country what it is, from the men who make this country what it is.
