Dominique Enright : The Wicked Wit of Jane Austen before purchasing it in order to gage whether or not it would be worth my time, and all praised The Wicked Wit of Jane Austen:

0 of 0 people found the following review helpful. The little book shows the super intelligence of the ladyBy jksI'm not sure I would call her comments "wit"; they are surely sarcastic and gossipy, but these are mostly excerpts from her letters to her sister, Cassandra, so are appropriate as they were very close friends. The little book shows the super intelligence of the lady, most observant of human behavior.... which, of course shows up in all of her novels. That's

why she is still as popular (probably more so) today as she was in the nineteenth century.0 of 0 people found the following review helpful. Four StarsBy Joan F. CipelleBits from correspondence and writings.0 of 0 people found the following review helpful. Five StarsBy CustomerGift, well received.

Lauded for her eloquence, observation, and wry humor, Jane Austen was a novelist who was highly regarded and greatly celebrated in her own time. However, her appeal is as great as ever, and her insights remain as fresh and relevant today as when they were first published. This delightful volume offers thematic extracts from fiction and correspondence, featuring quotes from such novels as *Emma*, *Northanger Abbey*, *Pride and Prejudice*, *Mansfield Park*, and *Persuasion*, alongside extracts from Austen's letters to her sister and confidante, Cassandra. Containing a host of quotations displaying Austen's sharp—indeed, often wicked—wit, this wonderful treasury will be enjoyed by fans of the author as well as readers who are new to her writing.
