theme Dorothy, accidentally kills The Wicked Witch of the East (and you know who's sister)... and now 'you know who' is a tad unhappy. This then is a rather off-beat look at another possible (although highly unlikely), encounter between Dorothy and The Wicked Witch of the West". Some thoughts on "The Wicked... Munchkin Killer"...1.) a short, funny parody (at times very funny) that is well written... and in it's own unique style.2.) it features some modern day weaponry, cameo appearances by some famous (living and dead) persons, and excessive crude and coarse language. Impression: A short parody that will be appreciated by only a select few... maybe those who harbor a weird sense of humor (that would be me... lol) and are attuned to those really, really stupid and demented tales like the one found here. Oh, and also those that are not particularly bothered by an abundance of gratuitously used f-bombs. (loss of 1/2 Star) As it is... 4 1/2 Stars Ray Nicholson raynicholsonreviews@hotmail.com @ralannicholson 1 of 1 people found the following review helpful. Cool Cover, Captivating Content By ocmd I got some bad news today, and when that happens my escape has always been between the covers of a good book. Browsing I came across "The Wicked Witch of the West: Munchkin Killer." The cover, the caption, the comments—they all caught my eye, promising hilarious content. I couldn't resist. So glad I didn't. The author puts a wickedly funny, zany spin on an old favorite of mine. It's dark, it's edgy, it's irreverent. I loved it! Author Darrin Mason you crack me up. Thanks for lifting my spirits today! 10 of 12 people found the following review helpful. ~Screw the Yellow Brick Road and much more! ~By Boxer Dog Lover in Vermont... An outstanding example of a parody at its finest! One example follows another in this short book which entertained me throughout. A couple of minor spoilers follow. When Dorothy uttered "Screw the yellow brick road" close to the beginning, I knew I was in for a fun ride. And, the reader is privy to the fact that Auntie Em closed the trap door before Dorothy arrived. And, that is the end of a couple of minor spoilers. The description of Glinda is priceless. Not sure that I have ever read such a succinct description of an alcoholic previously. I had a laugh out loud moment, too, when the Wicked Witch of the West was on the exercise bike. She pedaled with such intensity and strength. All I can say is that the ride was worth her pedaling. Must check on other books by this author. Always good to get a genuine chuckle... Most highly recommended.

EVEN JOHNNY DEPP HAS A COPY The Wicked Witch of the West: Munchkin Killer has become a favorite for comedy and dark fantasy fans around the world. It is the first of Darrin Mason's hugely popular Wicked Witch series and tells the story of Dorothy's incredible adventures in Oz after her munchkin friends are blown away by a gun-toting witch. Cameo appearances by Jesus Christ: Shooting Star, Elvis the Presley, Harry Poffertje, and Stephen King Author the First add to the dark humor that has engulfed the wonderful land of Oz. The Wicked Witch of the West: Munchkin Killer is the first story in the author's new Wicked Witch collection, THE WITCH'S BREW: A Collection of Hilarious Short Stories Starring the Wicked Witch of the West ([amazon.com/dp/B00LCXDUHO](https://www.amazon.com/dp/B00LCXDUHO)).

"A most unique touch that even George Carlin and Monty Python would be proud of." - Dennis Waller, .com Top 500 reviewer. "An at times very funny parody." - Ray Nicholson, .com Top 1000 reviewer. "It's one highly enjoyable, laughable, hilarious witches brew." - Thomas Jerome Baker, .com Top 1000 reviewer. "Hysterical, imaginative, patently adult parody." - Arthur Bradley, .com Vine Voice. About the Author Darrin Mason has worked much of his adult life as a freelance cartoonist (he is an Australian Cartoon Award winner) whose work has appeared in a number of Australian newspapers and magazines (People magazine and The Truth newspaper to name but two) and as a producer at 4BC radio in Brisbane, Australia. He is one hell of a funny guy with a dark sense of humor who spits in the face of political correctness. After all, political correctness does suck the big one. Above all else though, he is a fan of Batman. (The 1960s TV version, the late 1980s/early 1990s Michael Keaton version, and the Christopher Nolan/Christian Bale trilogy are the only ones that matter. You can forget the rest).
