Leigh Rubin : The Wild Life of Farm Animals before purchasing it in order to gage whether or not it would be worth my time, and all praised The Wild Life of Farm Animals:

0 of 0 people found the following review helpful. Funny but shortBy Roger FarnhamThis book has a lot of funny cartoons but, at only 63 pages, is short and can be read in less than a half hour. Also, about a dozen of the cartoons were also included in "The Wild Life Of Pets".

Chicks, ducks, and geese better scurry when cartoonist Leigh Rubin heads to the barnyard! Cows, horses, chickens, pigs, sheep, and ducks are featured in this hilarious book of facts from the farm.
