Handy item for keeping your recordsBy NanniI've travelled several times to Napa Valley and other wine regions so I like to keep notes on the wines I buy. I liked this book so well when I bought my first one at a winery, needed to purchase some for gifts for friends as well. Concise way to keep notes about which wines you want to purchase again, or NOT.0 of 0 people found the following review helpful. Fun bookBy Britney SchilleGreat idea for wine lovers, friends...sections for white, red, and ports. I would only want added extra

blank pages for some labels off my bottles. But, fun book, inexpensive, and neat illustrations!
