Great book!By kolelynnI've been looking for a way to get more "hands on" with learning the geography for wine appellations. I made a joke one day to a friend that it would be great if there was a coloring book for wine... did a search and found this one!!I am very pleased!!!!

The Wine Lover's Coloring Book is the perfect gift for the wine lover in your life. Beginners and sommeliers alike will love this fun and informative approach to learning about wine. Tour the wine regions of the world through beautiful full color maps, and then test your knowledge by coloring your own map. Wine education is now

approachable for everyone.
