From Alex Ayres : The Wit and Wisdom of Abraham Lincoln: An A-Z Compendium of Quotes from the Most Eloquent of American Presidents (Meridian) before purchasing it in order to gage whether or not it would be worth

my time, and all praised *The Wit and Wisdom of Abraham Lincoln: An A-Z Compendium of Quotes from the Most Eloquent of American Presidents* (Meridian):

1 of 1 people found the following review helpful. One of the greatest American icons - and full of wit and wisdom
By Falcon47
My Man - Abraham!! One of the greatest American icons - and full of wit and wisdom. A pleasure to carry this book in my library to sink into the depths of the man. It lifts me out of the down times. It restores my faith that there are possibly good hearted and caring men (and women) still walking around out there and hopefully sharing their wit and wisdom with the world around them.
0 of 0 people found the following review helpful. Should be called 'Little book of random Lincoln quotes'
By Gerardo
I had high expectation for a book about 'the wit and wisdom' I was very disappointed in that this book is only a collection of quotes, organized imperfectly in broad categories, with no context much more than the quote and the source. There is no story, no opinion. Just quotes.
2 of 2 people found the following review helpful. The greatest minds that we produced over time.
By Thom Shea
Love this guy!! What a mind and a perfect leadership capability to handle the United States especially at such a time in history when this country was so torn apart and so close to internal combustion. Honestly, I don't think that there was another person who could have guided us through this mess that we had created for ourselves. And to think that we re-paid Mr. Lincoln by an award of a bullet to the head! Please keep books like this for my reading pleasure. I love it!!

Abraham Lincoln is the most frequently quoted United States President. In this fascinating compendium are the best, funniest and most profound sayings of this most quotable of Chief Executives. The quotes are arranged according to subject, providing a bit of Lincoln wit and wisdom for any situation. From his youth in pioneer Illinois to the embattled White House of the Civil War, Abraham Lincoln never lost his capacity for dry humor--or his extraordinary gift of eloquence.

From the Inside Flap "Tact is the ability to describe others as they see themselves." Rather than the dour soul he sometimes appeared to be, Abraham Lincoln enjoyed a fine, often barbed sense of humor as this lively collection of his salty stories, anecdotes, quotes and speech excerpts proves. Also included in this treasury are his famous addresses, a Lincoln time-line, and sections on Lincoln Lore, Gettysburg Gems and Assassination Secrets.
About the Author
Alex Ayres, former editor at *Running Times* and *Harvard Lampoon*, has edited six previous *Wit and Wisdom* titles. He is also the author of the screenplays for "Marlowe" and "Search for Grace."
