**Jessica Fellowes : The Wit and Wisdom of Downton Abbey** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Wit and Wisdom of Downton Abbey:

130 of 134 people found the following review helpful. WITTICISMS YES.... BUT ALSO A REMEMBRANCE OF SCENES -- PERHAPS MORE SO By MyD -- The Viewpoint A PRACTICAL REVIEW OF THE VALUE OF THIS BOOK. WHAT IT IS... AND WHAT IT ISN'T QUITE DESCRIPTION: I want to say up front that I love this book and very glad to own it. It is pretty much what I expected and I am not disappointed. I also want to be fair to future purchasers and explain what this book is, and what it isn't quite. The small publication (just under 7 1/2" tall and under 1/2" thick) is a treasure trove of great lines from the movie. There are wonderful lines from all seasons and you can

imagine Violet features strongly as she has so many tremendous lines. There are also lines of wisdom as the title describes. But I would suggest the focus of this small book is also like a remembrance of great scenes. Rather than simple one liners from different characters, we get sections of lines from the script where characters interact. Not every entry is particularly prescient or witty, but it does refer us to a wonderful moment or scene. In such a small book, you may not find every single favorite line you expected to be there. But it is still a wonderful keepsake. Among the pages of lines and witticisms are also a few nice photos with more captions. I have included some photos of my own of the book that gives you examples of what to expect. **SOME OBSERVATIONS:** I don't want this to be a "cons" paragraph because I do love the book. But I do want to give just a few of those observations so prospective buyers know what to expect and expectations can be tempered. We all know this is what some might call "cash grab". But I am not going to call that a negative and the book will contain much of what you expect. That's what is important in the end. It's an inexpensive book if you get the right price (it cost me under \$10). As I said, it's a terrific keepsake and the content is worthy. But for the price you shouldn't expect a flashy book. The cover is very no frills and the photos are nice, but not glitzy like a large photo book. If I were to do anything differently, it would only be this: I like the witticisms the most so I would have put even more emphasis on that. I think they also could have done a really classy cover that would exude the opulence of the former age. But to be fair, that would be a much more expensive book and might put some buyers off. I would describe this book as built for enjoyment rather than display, and that is a worthy goal for producing it. I did notice the original retail sticker from publisher leaves a mark on the back no matter what I did. If you love the show and treasure many of the one liners or interaction that make it so memorable, this is a worthy and normally very inexpensive way to relive a bit of those feelings from time to time. Since each entry is very small, you can sit back and enjoy it for just a few moments each time if that's all you wish. I highly recommend it. 18 of 20 people found the following review helpful. From Roget Crawley...By J. Tant Presented in hardcover and bound to last, this is a delightful little book that is sure to replace Roget's in the Downton Abbey fan's house. I appreciate this book because the dialogue of the show is very British, and therefore the phrasing tends to the complex. There's also a dry, almost cynical wit to the show that rewards the careful viewer (and listener). Because of these factors, seeing the words in print enables me to call back to the episode and think about what was going on at the time of the quote. It's a fun, and I daresay intimate way to appreciate the quotes in this book. It almost makes me feel as though the character and I have a shared memory. Silly, I know, because it's just a TV show...but it's an engrossing and well done TV show. Anyway, enough gushing. For the Downton fan this is a good add to the library. I like it a lot. 8 of 8 people found the following review helpful. My early "fix" until January 3rd! By Sarah K. Bruner I so appreciated 're-living the various Seasons of Downtons past. Miss Fellowes gave us a great little gift here..... Loved it

"Come war and peace Downton still stands and the Crawleys are still in it." Downton Abbey is loved the world over for its fabulous costumes, beautiful scenery, wonderful characters and intricate plot lines, but what keeps millions of us coming back time after time is the stellar quality of the writing. With each stroke of his pen Julian Fellowes seems to gift us with a cuttingly dry quip from the Dowager Countess, a perfectly timed word of wisdom from Mrs Patmore or a touchingly nostalgic pronouncement from Carson. Here in *The Wit and Wisdom of Downton Abbey*, Jessica Fellowes has gathered together her favorite quotes from the complete Downton Abbey oeuvre to take each of us back to the most memorable moments from the show and ensure we are armed with the very best ripostes should we ever need to chastise an impertinent lady's maid.

About the Author JESSICA FELLOWES is the New York Times and Globe and Mail bestselling author of *A Year in the Life of Downton Abbey*, *The Chronicles of Downton Abbey*, and *The World of Downton Abbey*. She is a journalist and the former Deputy Editor of *Country Life*, and the niece of Julian Fellowes.
