**(author) G. K. Chesterton : The Wit, Whimsy, and Wisdom of G. K. Chesterton, Volume 5: All Things Considered, Tremendous Trifles, Alarms and Discursions (Paperback) - Common** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Wit, Whimsy, and Wisdom of G. K. Chesterton, Volume 5: All Things Considered, Tremendous Trifles, Alarms and Discursions (Paperback) - Common:

0 of 0 people found the following review helpful. What a tremendous joy to readBy Andre B.I am going to be succinct with this review, so apologies in advance.Before I read this book, I was only familiar with Chesterton's "Orthodoxy". I bought this after reading a few chapters of "Tremendous Trifles" online. I couldn't have been happier with my purchase! This book, containing "Tremendous Trifles", "All Things Considered" and "Alarms and Discursions" is simply the perfect follow-up to "Orthodoxy". If you're a Chesterton neophyte like me, you can't go wrong with this gem. "Wit, Whimsy and Wisdom" is the exact description of what you'll find inside.Also, it's a really, really fun read. Chesterton spices his writing with a sense of humor that feels like sugar for the soul. Highly recommended!

This volume includes three classic G. K. Chesterton collections: All Things Considered, Tremendous Trifles, and Alarms and Discursions. These collections include both essays and short stories. A few gems among the stories

include "The Perfect Game," "A Somewhat Improbable Story," "The Shop of Ghosts," and "How I Found the Superman."
