But, it was met with an eager smile as it meshes well with the weird stories heard while interning in the ER.1 of 1 people found the following review helpful. Great ReadBy Michele FritchieIf you've ever wondered just how weird people can be, read this. If you like bite-size medical mysteries, this can fill the bill. People can do the darnedest things.2 of 2 people found the following review helpful. AMAZING BOOK!By rebeccaIt is such a phenomenal book. I read it, my sister read it, my friend read and we keep sharing.It is for anyone interested in absurdity or oddness.I really really enjoyed reading it.

Why did the woman swallow the toothbrush? Was it an accident? Why was the brush end not facing down? Join Dr. Myers in his quest for unusual case studies as he unravels medical mysteries.
