I love the weekly pictures and sayings! There is plenty of space for writing daily notes and reminders. I use it mainly to record family events, birthdays, personal appointments, etc.I

would not recommend this to someone looking for a work planner. There simply is not enough room under each day to record various appointments and information.0 of 0 people found the following review helpful. Awesome just funny and quarkyBy Malinda MiskoAwesome just funny and quarky, very cute planner and has everything I wanted. Weekly calendar pages with notes and list areas, contacts, note pages at the end and a bookmark.0 of 0 people found the following review helpful. LOVE IT! I know it's sill to be so ...By CustomerLOVE IT! I know it's sill to be so in love with an agenda but I truly am. It's perfect. What's even better is the uplifting quotes on each page.

Curly Girl is a young woman who knows what she wants out of life -- adventure, love, purpose, and a really cute pair of shoes to boot! This calendar draws from the whimsical and top-selling Curly Girl products created by artist Leigh Standley. These charming illustrations and accompanying messages are upbeat and inspirational.
