The illustrations of Evil Betty are darling, and I love that they are drawn onto photographs of her home surroundings. Very clever! This would make a perfect gift for all animal lovers! It looks great on a coffee table, too. It's a nice big size, bound well, bright colors, and a generous 28 pages. A great deal! I received it very quickly - only two days! Cute as an (evil) button!0 of 0 people found the following review helpful. Five StarsBy TippyVery short but sweet book0 of 0 people found the

following review helpful. so was expecting a fun read - and I got itBy Raymonda SchwartzI follow Evil Betty on FB, so was expecting a fun read - and I got it! Enjoyed the story, LOVED the illustrations!

It's Evil Betty's world, we all just live in it! Meet Evil Betty a pug who likes chewing things, dragging inside things outside like underwear, cameras and phone chargers (and more) and dragging outside things back inside like bark, mulch, sticks, rocks. twigs and leaves. But she's not really evil. It's important you know that. Once you see the world through the eyes of Evil Betty, it will never be the same!
