Written with the Cat's point of view, I laughed my rear end off thru the wonderful opinions of the Cats training their owners. Truly the Cats own the home and enforce their ideas of how to discipline their owners. Its about time we realize that cats rule their world. KUDOS to Mr. Steve Fisher for the enjoyment Cat Lovers World wide will get by reading this book. Stanley and Esterly Blum Valley Village, CA 3 of 3 people found the following review helpful. I really wonder if my cats found this before me! By Lilly I came upon this book quite by chance and I am very glad I did! As a self proclaimed cat lover, I could not pass this up! If you love cats, this is the book for you; It is wickedly witty, funny and a good time. Now when I see my cats laying across my couch as if they are playing dead, well, I wonder where they learned that trick from. =) 1 of 1 people found the following review helpful. Wonderful Wonderful Wonderful! By Coco Funny and touching book written by a cat who observes human behavior by watching his pal Steve look for his perfect 'mate.' On the surface, Quasi is simply offering sage advice to kittens on how to manipulate humans into making their lives more comfortable. But simmering below is a wonderful look at relationships through the eyes of a keen observer of life. This is an enjoyable quick read, but very well written and perfect for anyone who has a cat in their lives.

A cat classic reissued . . . Quasi is back with more wit and wisdom for his fellow felines in this expanded version of The World Is Your Litter Box. Disguised as a cute cat book so human cat lovers will buy it, The World Is Your Litter Box: Deluxe Edition is actually a how-to manual for cats, written by one of their own to help make the lives of all kitties even more pleasant, entertaining and enjoyable than they already are. The World Is Your Litter Box: Deluxe Edition includes: The original version of The World Is Your Litter Box in its entirety Six chapters from The World Is STILL Your Litter Box The best (and funniest) posts from Quasi's blog Smart, meow-out-loud funny and loaded with "cattiude" The World Is Your Litter Box: Deluxe Edition is sure to please even the most finicky cat (and human) readers. Prepare to laugh your tail off! Cover Photo Courtesy Maia Coimbra Cat Illustrations by Prawny Vintage [www.theworldisyourlitterbox.com](http://www.theworldisyourlitterbox.com)

About the Author Steve Fisher (Quasi's co-author and typist) grew up in the San Francisco Bay Area and moved to Southern California in 1980. At various points, he was a musician, a radio DJ and a record producer before finding his true path as a writer. In addition to helping Quasi with The World Is Your Litter Box and The World Is STILL Your Litter Box, Steve has written approximately 50 short stories, and is currently working on a memoir. He "works" long hours at his computer and (according to Quasi) does not have a real job. A confirmed cat nut, Steve lives in Burbank, California with his wife, Judy, and of course, Quasi.
