What more is there to say about the brilliant Charles Addams?0 of 0 people found the following review helpful. Four StarsBy Kindle CustomerGreat book.0 of 0 people found the following review helpful. Five StarsBy madamI love his work and the tv show.enjoyed this book.

From 1932 until his death in 1988, Charles Addams contributed more than 1,300 cartoons and covers to The New Yorker. This large, beautifully printed volume brings together 300 of the most wonderful of them, as well as 24 pages of covers in brilliant full color. A retrospective celebration of the ominous, lovable, dark, and infinitely hilarious "Addams family."
